Dated, the December 4, 2017

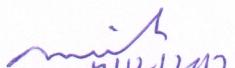

TRADE CIRCULAR

During the recently held review meeting on key features and functionalities of PCS 1.0 at Mumbai Port, it was decided to extend the SMS notification for the following services. Accordingly, it was made live at PCS production server from 19.11.2017.

- a. Vessel profile Submission/ Re-submission and Vessel Profile Approval/ Rejection.
- b. Voyage Registration Submission and VCN Allocation.
- c. Berthing Request Submission and Berth Allotment
- d. On Successful payment done through PCS.

In addition to the above notification service, PCS also implemented an automated time bound escalation alerts through SMS & E-mail on 22.11.2017. The escalation alerts are triggered in case of delay more than 3 hours in approval of the vessel profiles. The escalation alerts are sent directly to the Chairman and Dy. Chairman, PPT.

All the Port Users are requested to approach PCS support for updating their mobile numbers & e-mail ids to receive the notification from PCS. In case of any suggestions on the above, it is requested to communicate to IPA.
