

PARADIP PORT AUTHORITY **TRADE CIRCULAR**

No. FA/EDP/ERP-16/2020/128

Dtd.14/08/2025

It is to inform you all that the OFC cables have been laid by PPA in the harbour area to connect different locations of PPA. Damage of these cables leads to disruption in connectivity and potential operational issues.

Any Agency engaged in construction, maintenance or excavation activities in areas must contact EDP-Cell, Administrative Building, PPA before starting the work. Proper equipment must be used to ensure the exact location / depth of OFC cables during such activities.

In case of accidental damage, the responsible Agency must immediately inform EDP Cell, Administrative Building, PPA and bear the cost of repairs.

Any Agency found violating this order will be held accountable for damages and may face financial penalties as deemed appropriate.

All concerned stakeholders are hereby directed to adhere to this order with immediate effect.

For any clarification, please contact: EDP Network team, EDP Cell, PPA Administrative Building. Email id: edp-network@paradipport.gov.in.
